X-RAY SAFETY OFFICER (XSO) COURSE

A unique 3-day program designed to prepare you to fulfill your legal obligations surrounding X-ray safety in the workplace.

Topics covered include:

- Health Canada Safety Code 35
- Provincial Regulations
- Radiation quantities and units
- Biological and health effects of exposure to X-rays
- X-ray systems, X-ray imaging and safety surveys
- X-rays: radiation made by machine
- Radiation detection

PREREQUISITE

You do not need any prior radiation training or experience to take the course and you will receive the Radiation Safety Institute's X-Ray Safety Officer certificate upon completion of all course requirements.

HOW YOU LEARN

A dynamic mix of lecture, active discussion, daily assignments and a final exam sets the XSO program apart from any workplace safety course you've ever taken. This is supplemented with a training manual which includes copies of all slides and assignments.

WHO SHOULD TAKE THIS COURSE

Industry, Labour, Government, Health & Safety Professionals, Industrial Hygienists, Safety Inspectors, Imaging Technologists, Nurses, etc.

By providing a solid foundation in the nature and effects of X-ray radiation, this course will prepare you to be your organization's qualified X-ray Safety Officer (XSO) and to oversee the safe use of X-ray equipment in your workplace.

NATIONALLY RECOGNIZED X-RAY SAFETY COURSE NOW OFFERED IN VANCOUVER!

Don't miss your opportunity to get certified while enjoying one of the world's most scenic cities.

Register now and be prepared for future inspections and any challenges that could impact the safety of your workplace.

Good Science in Plain Language®

Founded in 1980, the Radiation Safety Institute of Canada is an independent, national organization dedicated to promoting, and advancing radiation safety in the workplace, in the environment and in the community. Our commitment to the principle of “good science in plain language®” underpins everything we do.

The Radiation Safety Institute of Canada is incorporated under the laws of Canada as a not-for-profit corporation and is also a registered charity.
